### Dates: confirmed versus planning

- **Confirmed (public):** Fall 2026 classes end December 21, 2026 (Katz School 2026–27 academic calendar).
- **Planning dates (team-supplied):** all seven meeting dates.
  - October 13 – December 8 also appear in the research plan's biweekly schedule.
  - None has been verified against an official course schedule.
  - **Confirm each with the instructor.**

### Confirmation needed

- **September 15, 2026:** Past meeting; deck is a retrospective record. Confirm whether original September slides exist.

- **September 29, 2026:** Past meeting; deck is a retrospective record. Confirm whether original September slides exist.
- **October 13, 2026:** Slot length and upload format. Choose this 5-slide deck or the earlier 8-slide whole-study deck.
- **October 27, 2026:** Date, slot length and upload format.
- **November 10, 2026:** Date, slot length and upload format.
- **November 24, 2026:** Date and format. Add any author decisions (venue, author order) to slide 5.
- **December 8, 2026:** Allowed length (the research plan records a 3–5-slide limit for biweekly meetings), date and format.

### Files

Each date has its own folder in `deliverables/presentations/semester/`:

- PPTX and PDF;
- source;
- speaker notes and word-for-word script;
- Q&A sheet;
- one-page summary.

The final defense adds `Technical_QA_Guide.pdf`.
